To Whom It May Concern:

PCC Network Solutions a Pacific Coast Cabling, Inc. Company located at 20717 Prairie Street, Chatsworth CA 91311, is a CIP in good standing and in the process of completing their certification requirements. During this process they are certified to work on the project mentioned above. Once the requirements have been met, may offer any of the following warranties, provided the project is registered and approved by the Data Power and Control Division (DPC) of Legrand.

- nCompass™ Limited Lifetime Warranty - Premium Performance - Lifetime Warranty for Legrand Cable Assemblies, CLARITY and INFINIUM connectivity and cords, along with Superior Essex cable listed on relevant nCompass data sheets.
- nCompass™ Limited Lifetime Warranty - Standard Performance- Lifetime Warranty for DPC connectivity, cords and cable assemblies, along with Superior Essex cable listed on relevant nCompass data sheets.

As with all projects, all relevant TIA telecommunication standards, local codes, and Legrand/Ortronics installation instructions must be adhered to. must register the project upon completion; testing must be completed for 100% of the drops and results must be submitted in original tester format (not .doc, .pdf, .xls, etc.) with the warranty registration. Note: A Marginal PASS (\*PASS) will not be accepted.

Warranties with approved cable partners may be offered. Approved manufacturer's cable is covered for 25 years.

Please contact the Training and Technology Department at (860) 405-2988 if you have additional questions.

Respectfully,

**Cindy Montstream**, RCDD/NTS, EE, CPLP  
Director of Technology Support & Training, Data Infrastructure  
Data, Power, & Control Division
